Howard McGillin:

God has smiled upon you this day  
The fate of a nation in your hands  
And blessed be the children  
Who fight with all our bravery  
Till only the righteous stand  
You see the distant flames  
They bellow in the night  
You fight in all our names  
For what we know is right  
And when you all get shot  
And can not carry on  
Though you die  
La Resistance lives on  
You may get stabbed in the head  
With a dagger or sword  
You may be burned to death  
Or skinned alive or worse  
But when they torture you  
You will not feel the need to run for  
Though you die  
La Resistance lives on

Shelia Broflovski:

Blame Canada  
Blame Canada  
Because the country's gone awry  
Tomorrow night these freaks will fry.

The men of South Park:

Tomorrow night  
Our lives will change  
Tomorrow night  
We'll be entertained  
An execution  
What a sight  
Tomorrow night

Satan The Dark Prince:

Up there, there is so much room  
Where baby's burp and flowers bloom  
Tomorrow night up there is doomed  
And so I will be going soon

Terrance and Phillip:

Shut your fucking face uncle fucker  
You're a boner biting bastard uncle fucker  
Phillip:  
Looks like we may be out of luck  
Terrance:  
Tomorrow night we're pretty fucked  
Stan Marsh, Kyle Broflovski, Eric Cartman:  
Why did our mothers start this war  
What the fuck are they fighting for  
When did this song become a marathon  
Satan The Dark Prince, Shelia Broflovski:  
I want to live up there  
When Canada is dead and gone there'll be no more  
Celien Dion  
Howard McGillin:  
They may cut your dick in half  
And serve it to a pig  
And though it hurts you'll laugh  
You'll dance a dickless jig  
But that's the way it goes  
In war you're shat upon  
Though you die  
La Resistance lives on
