Born from an egg on a mountain top,
Funkiest Monkey that ever popped,
He knew every magic trick under the sun,
Tease the Gods and everyone can have some fun.

Monkey magic, Monkey magic,
Monkey magic, Monkey magic,
Monkey magic, Monkey magic ooh!

What a cocky, saucy Monkey this one is.
All the Gods were angry and they punished him.
Until he was saved by a kindly priest,
And that was the start of their pilgrimage quest.

Monkey magic, Monkey magic,
Monkey magic, Monkey magic,
Monkey magic, Monkey magic,
Monkey magic, Monkey magic ooh!
