You can count on me.  
No matter what you do.  
You can count on me.  
No matter where you go.  
I'm standing by your side.  
I'll be right behind.  
No one loves you more than I do,  
Put your hand in mine.  
I can see a part of me in you.  
A little something special that comes shining through.  
I hear it in your laughter,  
And I feel it when you cry,  
I will be right there for you,  
Until the day I die.  
You can count on me.  
No matter what you do.  
You can count on me.  
No matter where you go.  
You can count on me.
