In the not too distant future  
Way down in Deep 13  
The evil Dr. Forrester  
Was hatching a nasty scheme  
He hired a temp by the name of Mike  
Just a regular Joe he didn't like  
His experiment needed a good test case  
So he conked him on the noggin'  
And he shot him into space  
(Mike: GET ME DOWN!!!)

I'll send him cheesy movies  
The worst i can find (La La La!)  
He'll have to sit and watch them all  
And i'll monitor his mind (La La La!)  
Now keep in mind Mike can't control  
Where the movies begin or end (La La La!)  
He'll try to keep his sanity  
With the help of his robot friends

ROBOT ROLL CALL....

Cambot (Show yourself)  
Gypsy (I'm not ready)  
Tom Servo (Hi ho there)  
Croooooooooow (That's one 'O'!)

If you're wondering how he eats and breathes  
And other science facts (La La La!)  
Just repeat to yourself it's just a show  
I should really just relax,  
(Dr. F: Did i tell you my mother's here?)  
For Mystery Science Theater 3000!  
Twaaaannngggg!!!
