Everybody wants to live,
Like they wanna live and everybody wants to love
Like they wanna love
And everybody wants to be
Closer to free
Everybody wants respect, just a little bit
And everybody needs a chance, once in a while
Everybody wants to be
Closer to Free
Everybody one
Everybody two
everybody free
Everybody needs to touch
You know, now and then
And everybody needs a good, good friend
Everybody wants to be
Closer to Free
I said everybody one
Everybody two
Everybody Free
Everybody wants to live
Like they wanna live and everybody wants to love
Like they wanna love and everybody wants to be closer
to free
Yeah, closer to free
Closer to free.
