Its cold outside,
There's no kind of atmosphere,
I'm all alone,
More or less.
Let me fly,
Far away from here,
Fun, fun, fun,
In the sun, sun, sun.

I want to lie,
Shipwrecked and comatose,
Drinking fresh,
Mango juice.
Goldfish shoals,
Nibbling at my toes,
Fun, fun, fun,
In the sun, sun, sun,
Fun, fun, fun,
In the sun, sun, sun.

I'll pack my bags,
And head into hyperspace,
Where I'll succeed,
At time warp speed.
Spend my days,
In ultraviolet rays,
Fun, fun, fun,
In the sun, sun, sun.

We'll lock on course,
Straight through the universe,
You and me,
And the galaxy.
Reach the stage,
Where hyper-drives engage,
Fun, fun, fun,
In the sun, sun, sun,
Fun, fun, fun,
In the sun, sun, sun.
