"We run. We jump. We swim and play. We row and go  
on trips  
But the things that last forever... are our dear  
friendships  
Camp Anawanna, we hold you in our hearts.  
And when we think about you (it makes me wanna fart!)  
It's 'I hope we never part'. Now get it right or pay the  
price.  
Now we will share a lifetime of the fondest memories.  
By the lakes of Anawanna.. Sat in the old pine trees.  
Camp Anawa-., we hold you in our hearts.  
And when we think ab-.. (this thing came apart)  
Think Anawanna-wanna, speak Anawanna-wanna..  
Live Anawanna-wanna! Ugh!
