Kyle: It's hard to be a Jew on Christmas.  
My friends wont let me join in any games.  
And I cant sing Christmas songs  
Or decorate a Christmas tree  
Or leave water out for Rudolph  
'Cause there's something wrong with me.  
My people don't believe in Jesus Christ's divinity.  
I'm a Jew,  
A lonely Jew  
On Christmas.  
Hanukkah is nice but why is it  
That Santa passes over my house every year?  
And instead of eating ham I have to eat kosher latkes  
Instead of Silent Night I'm singing  
Hoo Hact Toh Gaveesh  
And what the fuck is up with lighting all these  
Fucking candles please?  
I'm a Jew,  
A lonely Jew  
I can't be merry  
'Cause I'm Hebrew  
On Christmas.  
Celebrity Guest: Hey little boy I couldn't help but hear  
Your feeling left out of Christmas cheer  
And I've come to say that you shouldn't be sad  
This is the one month you should be glad  
'Cause its nice to be a Jew on Christmas.  
You don't have to deal with the season at all.  
You don't have to be on your best behavior or give to  
charity.  
You don't have to have to go to grandma's house with  
your alcoholic family.  
Kyle: And I don't have to sit on some fake Santa's lap  
And have him breath is stinky breath on me.  
Celebrity Guest: That's right, your a Jew!  
Kyle: A styling Jew!  
Together: Its a good time to be Hebrew,  
On Christmas...  
Celebrity Guest: On Christmas.
