First Season:

How will you make it on your own?  
This world is awfully big, girl this time you're all alone  
But it's time you started living  
It's time you let someone else do some giving  
Love is all around, no need to waste it  
You can have a town, why don't you take it  
You might just make it after all  
You might just make it after all

Seasons 2-7:

Who can turn the world on with her smile?  
Who can take a nothing day, and suddenly make it all  
seem worthwhile?  
Well it's you girl, and you should know it  
With each glance and every little movement you show it  
Love is all around, no need to waste it  
You can have a town, why don't you take it  
You're gonna make it after all  
You're gonna make it after all
