Don't you try to kiss me
I'm nobody's fool (2x)
Baby don't lie to me no more
I wanna hear it from you-u-u

Tell me you've been cheating
Tell me you've been lying
And might forgive you
You tell me you've been gone
You tell me you need me
But I don't know

If I can trust you again
Baby we've come to an end
Baby won't you understand how much I love you
If I can trust you again
Baby we've come to an end
Baby won't you understand how much I love you

Tell me you've been cheating
Tell me you've been lying
And might forgive you
You tell me you've been gone
You tell me you need me
But I don't know

If I can trust you again now (3x)
again now (4x)

If I can trust you again
Baby we've come to an end
Baby won't you understand how much I love you
If I can trust you again
Baby we've come to an end
Baby won't you understand how much I love you

Don't you try to kiss me
I'm nobody's fool
Baby don't lie to me no more
I wanna hear it from you-u-u

Tell me you've been cheating
Tell me you've been lying
And might forgive you
You tell me you've been gone
You tell me you need me
But I don't know

If I can trust you again
Baby we've come to an end
Baby won't you understand how much I love you
If I can trust you again
Baby we've come to an end
Baby won't you understand how much I love you
