I can feel it as soon as I walk in the room  
cause its the bass drum thats kicking going boom  
boom boom  
as soon as i hear it I know what to do  
I just kick it to the floor and then I zoom zoom zoom

here we go girls now we in the house  
just to spin just to dance time to work it out  
whats the deal keep it real now the move is tight  
we got the rythmn and we know its right

I can feel it as soon as I walk in the room  
cause its the bass drum thats kicking going boom  
boom boom  
as soon as I hear it I know what to do  
I just kick it to the floor and then I zoom zoom zoom

I can feel it  
wanna hear it

cmon lets go cmon hang with the girls  
we gotta show everybody in this great big world  
how we do what we do we gotta lock it in  
its time to fly time for the dancers to spin

I can feel it as soon as I walk in the room  
cause its the bass drum thats kicking going boom  
boom boom  
as soon as i hear it i know what to do  
I just kick it to the floor and then I zoom zoom zoom

I can feel it  
wanna hear it

so when you sad  
when you're bored  
cmon hit the floor  
everybodys gonna dance everybody will soar  
join the team join the dream  
we gotta make this fly  
we gonna take it alright up to the sky

I can feel it as soon as I walk in the room  
cause its the bass drum thats kicking going boom  
boom boom  
as soon as I hear it i know what to do  
I just kick it to the floor and then I zoom zoom zoom

I can feel it as soon as I walk in the room  
cause its the bass drum thats kicking going boom  
boom boom  
as soon as I hear it I know what to do  
I just kick it to the floor and then I zoom zoom zoom

I can feel it  
wanna I hear it
