I told myself, a thousand times...
It wouldn't end like this.
But, here I am, standing at the door.
With no more walls to hit.

I didn't notice it was over...
Til' it was too late.
All the tears are cried.
And, it's time to walk away.

So, hello suitcase...
Hello pictures on the floor...
Hello heartache...
Hello slamming door.
Hello Silverado running in the drive.
Hello freedom...
Hello goodbye.

I never knew, this gravel drive...
Could be so damn long.
I never thought, i'd ever be..
This close to being gone.

I wonder if she wonders...
If i'll turn this truck around.
I wish I could cause it hurts like hell.
But, it's too late for that now.

So hello highway...
Hello city limit sign...
Hello sunset...
Hello Jackson county line.
Hello radio, don't play that song tonight.
Hello freedom...
Hello goodbye.

Oh, I did the best to make the best of us.
Oh, but hell sometimes love just ain't enough.

So, hello teardrops...
hello empty space...

Hello memories...
Hello love we used to make.
Hello Jesus, won't you help me through the night.
Hello 'morrow...
Hello goodbye...
