You keep telling me yes  
But you don't mean it  
You keep telling me no  
And try to lean it  
You're giving me butts and maybe  
You know this will drive me crazy  
Why can't you tell it like it is

Let your yeah be yeah and your no be no, now  
Let your yeah be yeah and your no be no, now  
Becuse I'm on my guard and I'm watching you from  
head to toe  
You better let your yeah be yeah and your no be no

You wear a plastic smile  
I know by you eyes  
You speak with indefinite style  
You're telling me lies  
You've got to face reality  
What is wrong with you and me  
Why can't you free your honesty

Let your yeah be yeah and your no be no, now  
Let your yeah be yeah and your no be no, now  
Becuse I'm on my guard and I'm watching you from  
head to toe  
You better let your yeah be yeah and your no be no
