Why, why people grudgeful, boy?
Why, why people grudgeful, boy?

When I was down and out, you didn't help me out
Now that I win jackpot, you want to talk about
Now that I turn bigshot, you start to chat
You can walk and talk, walk and talk, but me no care at
all
You can walk and talk, walk and talk, but me no care at
all

Why, why people grudgeful, boy?
Why, why people grudgeful, boy?

Remember, remember the nest you used to rest
Remember, remember the nest you used to rest
You spit in the sky, it fall in your eye, that's no lie
You spit in the sky, it fall in your eye, that's no lie

Why, why people grudgeful, boy?
Why, why people grudgeful, boy?

Oh what a, oh what a, oh what a, oh what a, oh what a
crummy boy
Oh what a, oh what a, oh what a, oh what a, oh what a
crummy boy
You're crummy, you're crummy, you're crummy, you're
crummy, you're crummy boy
You're crummy, you're crummy, you're crummy, you're
crummy, you're crummy boy
