Sweet dreams of you
Every night I go through
Why can't I forget you
And live my life alone?
Instead, I'm having sweet dreams about you

You don't love me, it's plain
How could I know you would never wear my name?
I, I should hate you girl, all my life
Instead, I'm having sweet dreams about you

I, I should hate you girl, all my life
Instead, I'm having sweet dreams about you
Instead, I'm having sweet dreams about you
Instead, I'm having sweet dreams about you...
