When I was young I knew everything
And she a punk who rarely ever took advice
Now I'm guilt stricken,
Sobbing with my head on the floor
Stop a baby's breath and a shoe full of rice
I can't be held responsible
Cause she was touching her face
I won't be held responsible
She fell in love in the first place
For the life of me I cannot remember
What made us think that we were wise and
We'd never compromise
For the life of me I cannot believe
We'd ever die for these sins
We were merely freshmen
My best friend took a week's
Vacation to forget her
His girl took a week's worth of
Valium and slept
Now he's guilt stricken sobbing with his
Head on the floor

Thinks about her now and how he never really

Wept he says

We've tried to wash our hands of all this

We never talk of our lacking relationships

And how we're guilt stricken sobbing with our

Heads on the floor

We fell through the ice when we tried not to

Slip, we'd say
