Packed bags clean clothes on a dirty floor
Love notes she wrote on the bedroom door
She's got a cute face with a taste for champagne
Fast cars and diamond rings
And I've got a couple bucks and a pair of old blue jeans

And I'm not missing you at all

Don't wanna fall wanna fall wanna fall in love
Don't wanna be wanna be your only one
Cause you know yeah you know that I'm ready to go
Yeah I'm ready to go

Remember when I kissed your lips
I thought you taste like money and cigarettes
And I'm not missing you at all
Yeah I'm not missing you at all

Don't wanna fall wanna fall wanna fall in love
Don't wanna be wanna be your only one
Cause you know yeah you know
Don't wanna sing for you cause my voice is sore
Don't wanna see wanna see your face no more
Cause you know yeah you know that I'm ready to go
Yeah I'm ready to go

(Brian Dales)
So you moved away to the Golden State
Where the sun shines bright and the waves break
I'll stay right here in Arizona
Far away from the boardwalk and ocean

And I'm not missing you at all
Yeah I'm not missing you all

Packed bags clean clothes on a dirty floor
Love notes she wrote on the bedroom door
She's got a cute face with a taste for champagne
Fast cars and diamond rings
And I've got a couple bucks and a pair of old blue jeans

And I'm not missing you at all

Don't wanna fall wanna fall wanna fall in love
Don't wanna be wanna be your only one
Cause you know yeah you know that I'm ready to go
Yeah I'm ready to go

Remember when I kissed your lips
I thought you taste like money and cigarettes
And I'm not missing you at all
Yeah I'm not missing you at all

Don't wanna fall wanna fall wanna fall in love
Don't wanna be wanna be your only one
Cause you know yeah you know
Don't wanna sing for you cause my voice is sore
Don't wanna see wanna see your face no more
Cause you know yeah you know that I'm ready to go
Yeah I'm ready to go

Yeah I'm ready to go
Yeah I'm ready to go
I'm not missing you at all
