I like the way you drink wine and whiskey on Saturday  
night  
Like that way that you can't find what to wear when you  
wake up  
And I like the way that you look in my shirt on my bed  
and I'm hooked  
Like the way that you say the cigarettes will kill me  
some day.  
And I know you're right  
You make me feel all right

(Chorus)

'Cause I like the way you look in the mornin'  
I like the nights where you're wrapped around me  
I like the way you whisper, "What you wanna do?"  
Yeah I like the way you love me too  
Woah, Woah  
Yeah I like the way you love me too  
Woah, Woah

I like the way that you sing all those country songs to  
me  
Like the way that you bring out the better man in me  
And I know you're right  
You make me feel all right

(Chorus)

"Cause I like the way you look in the mornin'  
I like the nights where you're wrapped around me  
I like the way you whisper, "What you wanna do?"  
Woah,  
I like the way we fight and kiss and break up  
I like the way we always seem to make up  
I like the way you win and I always lose  
Yeah I like the way you love me too  
Woah, Woah  
Yeah I like the way you love me too  
Woah, Woah

Well I hope you're waiting by the door when I get home  
'cause when I'm gone,

You're what I miss the most  
There's a missing thread in my bed  
I'll think of all those words we said  
And I'll wish for you what you wish for me too

(Chorus)

'Cause I like the way you look in the morning  
I like the nights where you're wrapped around me  
I like the way you whisper, "What you wanna do?"  
Yeah I like the way you love me too  
I like the way we fight and kiss and break up  
I like the way we always seem to make up  
I like the way you win and I always lose  
Yeah I like the way you love me too  
Woah, Woah  
Yeah I like the way you love me too  
Woah, Woah
