[Chorus]

Ohh yeah do it pa'  
Ohh yeah do it pa'  
Ohh yeah do it pa'  
Do it daddy do it

Ohh yeah do it pa'  
Ohh yeah do it pa'  
Ohh yeah do it pa'  
Do it daddy do it

[Verse 1]

I give it to her hard so she know who I be  
Instantly she fell and gave it to me  
She wanted me since the first time she saw me  
She felt me and it turned out she liked me  
I remember when I first saw her  
I chased her and inside I caught her (yeahâ€¦like that)  
Ma you're the one for me (ohhhhh)  
If you only imagine the stuff that I told her  
Night fell and she called me to come see her  
I got anxious ready to go beat that  
But she had to be mines for me to get that  
Everyday for me to solve all her problems  
She gets freaky on the phone when she calls me  
She's a freak too when I have her in the bed  
She's hood she's far from a dame  
Bad friend and sex full of drama

[Chorus]

Ohh yeah do it pa'  
Ohh yeah do it pa'  
Ohh yeah do it pa'  
Do it daddy do it (\*repeat 2X\*)

[Verse 2]

Without pity I give it to her so she remembers  
She sees nothing most things she misses  
Ma' sucks on me and even bites me  
Doesn't from shorty's the truth  
I saw her when she came through the door

From what I see shes a lucky pussy to me  
It's better to be alive than dead in the bedroom  
I wanna see you wrapped up ma'  
Baby come here hold on to me  
Grind slow and move it to the side a little  
Pirate come hard, I give it to you hard but mellow  
Before I leave I give it to you girl like  
Take it, take it make the bounce like rubber

[Chorus]
