CHROUS:

You gots to do  
what you gotta do  
to make yo' money  
don't let nobody  
bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh  
You gots to do  
what you gotta do  
to make yo' money  
don't let nobody  
bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh

I'm on the block  
slangin' ready  
tryna' stack my phetty  
these niggaz silly  
cause they really  
hate to see me  
sell it UH!!  
cause I'm the big boss  
of all bosses  
I told you niggaz  
in ninety-six  
bitch ain't takin'  
no losses UH!!  
cause ain't no bitch  
in me nigga  
I thought I  
told ya'  
and if you niggaz  
owe me money  
bitch I'll show ya'  
cause I don't play  
when it comes  
to my D boy  
you best a ask  
a nigga 'bout

King P boy  
I got more  
heart than the  
average killa  
I ain't yo'  
average nigga  
I'm makin' a  
meal by  
slangin' these  
caps in niggaz  
so you can  
BUCK BUCK  
if you wanna  
but I'm a  
slang slang  
up on the  
corner  
while you be  
doin' your time  
I'll be writin'  
these fucking rhymes  
while you be  
writin' yo' bitch nigga  
I'll be  
fuckin' mine  
but you can't  
bring me down  
cause money makes  
this muthaphukka  
go around

You gots to do  
what you gotta do  
to make yo' money  
don't let nobody  
bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh  
You gots to do  
what you gotta do  
to make yo' money  
don't let nobody  
bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh

I comes equipped  
with money flows  
and fo-fo's  
desert ego's  
sell my fuckin'

sole for some  
cash and some kilo's  
no constant struggle  
but hustlin' to  
make this  
profit double  
nine strapped niggaz  
flip yo' pockets out  
we all got trouble  
infratraitors  
green ink  
paper chasaz  
for the right price  
they'll cross out  
the whole nation  
I runs with  
SK grippaz  
he's shootin'  
chest rippaz  
top-a-line  
money gettaz  
down south  
no surrender  
rollin' on D's  
slangin' CD's  
keepin' all blood  
issues on the  
low keys  
live life for  
the riches  
muthaphukk the fame  
a nigga can't  
survice off a  
got-damn name  
phetty makes the  
muthaphuukin'  
world rotate  
I does what  
it takes  
to stay up on  
top and wait  
get down right dirty  
and muddy  
even get bloody  
for some  
muthaphukkin' money

You gots to do  
what you gotta do  
to make yo' money  
don't let nobody

bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh  
You gots to do  
what you gotta do  
to make yo' money  
don't let nobody  
bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh

I'm movin' on up  
like George and Louise  
me and my niggaz  
goin' pharoe  
slangin' keys  
we're brakin' 'em  
off everytime we  
hit the road man  
droppin' 'em off  
in every state  
we doin' shows mean  
I got a nigga  
buyin' 10 in  
Atlanta Georgia  
I got a nigga  
buyin' 20 in  
Miami Florida  
I got niggaz  
world wide  
up on the  
Sky pager  
I told these  
niggaz King P  
was somethin' major

You gots to do  
what you gotta do  
to make yo' money  
don't let nobody  
bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh  
You gots to do  
what you gotta do  
to make yo' money  
don't let nobody  
bring ya' down  
money makes the world go 'round uh  
money makes the world go 'round uh
