you sit here
an axe in your hand
with blood in your mind
you won't waste your time
a phase in your life
can't quiet ignite
the flame in your heart
you're dead from the start
black art infused
confused, you'll lose
black art confused
infused, you'll lose
black mind sees lies
can't find a reason why
black mind sees lies
can't find the reason why
pervert the truth
to kill and abuse
pervert the truth
to kill and abuse
inside a rip, a shred, a tear
inside a rip, a shred, a tear
inside a rip, a shred, a tear
inside a rip, a shred, a tear
insight, insight, insight
ignite, insight, insight
insight, the fight
a knife will slice and dice
you'll die
a knife will slice and dice
your mind
a knife will slice and dice
your life
a knife will slice and dice
you'll cry
inside a rip, a shred, a tear
inside a rip, a shred, a tear
inside a rip, a shred, a tear
inside a rip, a shred, a tear
die, die, die, die
life, die, die, die
slice and dice and dice

and lie, you'll die
your mind, you're a lie
a lie, you'll die
a knife, you'll die
a rip, a shred, a tear
inside a rip, a shred, a tear
inside a rip, a shred, a tear
inside, ignite, insight
