insanity, just a word used to sum up  
all the things they've heard  
all my deeds, all the blood, all the drugs  
what i did to those pretty little girls  
pieces that were missing in the puzzle i created  
children in the streets  
lying decapitated  
inviscerated, with their tongues cut out  
"what demon could do this?"  
people like to ask  
i read the tabloids  
i like to laugh  
i am a monster from their dreams  
i am what they'd like to be  
i can get away with this  
i can be free  
i can walk down your street  
and you wouldn't even notice me  
i am the malcontent  
that slips through the cracks  
i am the nightmare  
that always comes back  
i cannot be caught  
i am above the law  
the blood of millions rampant in my mind  
no reparation for my crimes  
i am a criminal only in thought  
i'll plunge this knife into your heart  
trust in you was a lost cause  
faith in god was a lost cause  
a darkened corridor slick with the bloodshed  
a hand that is mine, spattered in red  
trust in this was a lost cause  
faith in this was a lost cause  
screams that are muffled  
drowned out, drowned out  
out of breath  
screams that are muffled  
drowned out, drowned out  
out of breath  
run, run, you can't hide  
hide, hide, but you'll die

run, run, you can't hide  
run, run, you can't hide  
i am the monster from your dreams  
i am what you'd like to be  
i am the malcontent  
that slips through the cracks  
i am the nightmare that always comes back  
i cannot be caught  
i am above the law  
i cannot be caught  
i am above the law  
no law, not gods, no faith  
humanity is not what i suffer from  
humanity is not what i suffer from
