"Buffy The Vampire Slayer"

Verse 1:

With forces of darkness abound
The demons and vamps
Always come around
To satisfy lust for the kill
To feed on the living and love evil
But when they rise up into the night
The Slayer will come
The Slayer will fight
With powers reserved
The chosen one
In each generation
There's only one

Chorus:

Buffy
She's the slayer...Oh ya
Ahhhh Buffy
The Vampire Slayer

Verse 2:

The danger is real
Oh, Chosen one
You probly won't see
Even 21
You're missing your life to defend
The world...again

Chorus:

Buffy oh oh oh ahhh
She's the Slayer...Oh ya
Ahhhh Buffy...oooo ooo oh ah
The Vampire Slayer
Ooooohh Oooohhh
She's the slayer...oh ya
Oh whoa oh whoa ya ya
The Vampire Slayer

Bridge:

Nothing else you can do
So much riding on you
Everytime you make plans
Hell's mouth opens again

Verse 3:

Waiting by a grave
Wait for them to rise
Wanting nothing more...than a social life
Then you fall in love
With a vampire guy
Cause he has a soul
Looks to good to die
Wants to help you fight
Cause now he feels all guilty
Could we...have more irony?
Your the Chosen one
Your boyfriend is a demon
Who wants to be a Saint
But its all rearranged
Cause on your seventeenth
When you two hit the sheets
The magic spell goes wrong
and Angel's soul is gone

Chorus:
Buffy
She's the Slayer....ooooohhh ya
Oooooh oh a ha
the Vampire Slayer

Verse 4:
With forces of darkness abound
The demons and vamps
Always come around
But when they rise up in the night
The Slayer will come
The Slayer will fight

Chorus:
Buffy oohhh ahhh
Ahhhh Buffy oh oh oh ahhh
Buffy oh oh oh ahhhh
She's the slayer oh ya
Buffy
The Vampire Slayer
Oh oh oh ahhh
She's the slayer

oh oh oh ahhh
She's the slayer
Oh oh ahhhh
She's the slayer
Oh oh oh ahhh
The vampire slayer
Oh oh oh ahhh
She's the slayer.....
