J. Stacy

You got me, right where you want me. You got me,
under your pressure. You got me, right where you want
me...

You got me, right where you want me. You got me,
under your pressure. You're all over me, yeah you push
me over...

You got a big psychological edge. You're good with
words and you're good in bed. But in the morning, it's
hard to pretend. You say you love me now but will you
love me later...

You got me, right where you want me. You got me,
under your pressure. You got me, right where you want
me...

You got me, right where you want me. You got me,
under your pressure. You got my best, no it don't get
better...

At a party, I'm just your friend. But behind closed doors
you're in love with me again. In the morning, it's hard to
pretend. You say you gotta go, maybe see you later.
You got me right where you want me, yeah f,ã,ã.
You got me right where you want me.

You got me right where you want me....
You got me, right where you want me. You got me,
under your pressure. You got me, right where you want
me...

You got me, right where you want me. You got me,
under your pressure. You got my best, no it don't get
better...

At a party, I'm just your friend. But behind closed doors
you're in love with me again. In the morning, it's hard to
pretend. You say you gotta go, maybe see you later.

You got me right where you want me.
