Billy Lee, Jimmy Lee,
Beatin' mutha fuckas till there's blood in their pee
Rippin' off limbs and making them an amputee
Cocks big around as a redwood tree
Bashin' through these faggots without breakin' a sweat
Wearin' tight jeans and a small ass vest
Ain't even gotta axe and bitches show me they bress
They fanooter drippin' and it's makin' a mess
Walk to the right, kill them bitches
Walk to the left in my tight ass britches
Goin' up top, 'bout to throw that punk
Face first dropped in some kangaroo spunk
Try to rush me and I'll grab you by the throat
Drop that knife and I'll stab you in the scrote
Bitch, don't test me, next thing you know
All yo guts be layin' on the flo'

Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho

That black clad nigga stole my bitch
Chafin' my nutz like I got jock itch
Flyin' through the air I'm prepared to drop kick
Kick his ball bag, make him talk high pitch
Python's reared and I'm ready to strike
Caught me off guard, mother fucking dyke
A-bo-bo...lurchin' with his crew
Gonna fuck this bitch up, beat him to a different hue
Dick is gushin' out my pants, gotta stark erection
Shine it up real nice so you can see your reflection
When it's quivering, watch out for beef injection
Pounding on these pussies till they get a yeast infection

Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho

Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho

We be ripped though we be just eight bit
They all run because we go ape shit
Show these dicks and if they ain't suckin'
Crack they head and get to skull fuckin'

We be ripped though we be just eight bit
They all run because we go ape shit
Show these dicks and if they ain't suckin'
Crack they head and get to skull fuckin'

Now the final battle, brothers face the shadow master
He had frenzied fists of fury but my fists were faster
Fought for fifty fervent days, like Sting, he is a laster
Land the crushing blow and then I donkey-punch that
bastard
Got my bitch back and now I reign supreme
When we get home, coat her with my man cream
Rub it all in, give her skin a nice sheen
Pluggin' both her holes with a "Dragon Double Team"

Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho

Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Double Dragon, mutha fucka, Double Dragon, ho
Dick so long that it's draggin' on the flo'
Double Dragon, mutha fucka, Double Dragon, ho
