Pitchin my tent, Cause I be spent,
Fought so long my blood sword bent,
Bomb attacks, Party strikes back,
Gunblade makes me the mack of the pack,
Got my bill, drop my Gil,
Chocobo cost me 15 mil,
Go to town, makin my rounds,
Check A pot for phoenix down,
White mage joined to heal my wounds and Thieves will
try to gank yo shit,
Black mage cast some lightning zap yo ass and get a
critical hit,
Fighter class, Stompin some ass,
My jizz bombs are made of brass,
Party's set, bitches get wet,
Level up each chance we get,

Got me a BAGF,
RPG not RTS,
NPC don't tell me shit,
9MP with boots equipped.
Sword rat, Porcupine,
Sea snake, water snake,
T-Rex, dinosaur,
Gray imp, that's a Grimp,
Zombull, dead bull,
8 eye, got 8 eyes,
Bloat float, floating bloat,
Hungry, big dick Gree,

On my chocobo, I be
Pimpin all my hoes
