Got a shovel, look at my garden  
Seeds under-watered, will shrivel and harden  
Break some trash, whack the hard dirt  
Grow some grass, buy piñata shirts  
You need a pond, a watering can  
So you can wash, the bearded bum man  
Hey Seedos, give me some seeds  
I want to plant, a monkeynut tree  
I'll fertilize, Make my plants big  
Rot hazelnuts, to mate me some pigs  
Break a raisant, I need some money  
Plant a carrot, to attract a bunny

I am a gardener master romancer  
My ill piñatas look like they got cancer

Buy a hat for my fudgehog  
Buy my frog a hollow log  
Grow some thistles for mothdrop  
Make squazzle look like a cop

Watercress, gets me a newtgat  
Must watch out, for sour sherbat  
We're gonna go, to disco does  
Dress up real nice, British teeth, clown nose  
One turnip, to get mousemallow  
Quackberry likes, when my pond is shallow  
My fizzly, Wants him some honey  
Sell my mine, and get chocolate money  
Plant poppies, for my taffly  
Call the doc so sick ones don't die  
Swanana is nice and spunky  
Bananas for my cinnamonkey

I am a gardener master romancer  
My ill piñatas look like they got cancer  
Buy a hat for my fudgehog  
Buy my frog a hollow log  
Grow some thistles for mothdrop  
Make squazzle look like a cop

Come to my garden  
Silly piñata  
I will romance you  
Happy piñata  
Happy piñata  
Whack piñata  
Happy piñata  
Whack piñata
