Fast and hard  
I want you to go  
Drives me crazy  
Thought you oughta know  
Since the first time  
That we had fun  
Underneath that  
Setting sun  
I felt inside  
Something real  
All the pain before  
I knew you'd heal

Chorus  
Fast and Hard  
Fast and Hard  
That's the way I like it  
Fast and Hard  
Fast and Hard  
I know that we can do it

If you happen to  
Decide to go slow  
I like that too  
Teases me you know  
For all the times  
That I see you  
My love strengthens  
As for you too  
Like animals  
We are  
When I'm on top  
I feel like a star

Chorus

Musical Interlude with the sound of panting

Something so far  
Has caught me more  
Within the moment

Behind the door  
You'll ride me more  
And make me pant  
I'll want you more  
Even if I can't!

Chorus
