The pain I feel inside  
Does not compare to the  
Times that I have lied  
My life has left me there

I don't know what to do  
This life has come to destroy  
My hopes my dreams with you  
Playing me, like I were a toy

Chorus (2x)  
There is nothing more  
That I wouldn't do  
To dispose of the pain  
That I caused you

Can life really be  
As horrible as this  
I wish I could see  
Life were more than this

If this life  
Could end  
Than I would do it, all myself  
To commit  
Suicide  
Than I would do it, all myself

Chorus Out
