Chorus

I am crippled
And got muscular distrohpy
So give me a fork
And end this misery

I wrote this song
'Cause I am a retard
I was buried in a hole
When I was first born
I was put there
'Cause I am a retard
My parents didn't love me
Because I have muscular distrophy

Chrous

Now I am being
Put into a pot
And it hurts
'Cause it's fucking hot
I got my arm cut off
And my p-p-penis?!
Mom, what's a penis?
Oh well

Chrous

Bridge (no music)
I love you, you love me
I've got muscular distrophy
"C'mon Rayne, sing for us"
"Uhhh..."

Chrous (Music Starts again)
