(Orchestral opening)

I cant feel what youre telling me
Sayin somethin bout the way it should be
And I dont know what I can believe
This just dont feel right to me
Talkin bout it was always how
We used to get along and we dont now
I still dont know how to perceive it now

Chorus

Why me?
Its like I told you before
Why me?
You hold the key to the door
Why me?
But you done threw it away
Why me?
An Im locked in here another day

Musical Interlude

You said you loved me before
But you kicked me out the door
I cant even think anymore

Why cant you say you love me?
I know its the way we should be
And I believe, deep inside
YOU LOVE ME

WHY ME?
Cant think anymore
WHY ME?
Cant See any more
WHY ME?
Cant breathe anymore
WHY ME?
I CANT FEEL ANYMORE!!

WHY ME?
