Well, I'm gonna rock I'm gonna roll my blues away,
Rock I'm gonna roll my blues,
Rock I'm gonna roll my blues away, everybody knows.

I'm gonna shake my pretty little baby,
I'm gonna shake my pretty little bee,
I'm gonna shake my pretty little baby,
Well there ain't nobody but me!
Well, I'm gonna rock I'm gonna roll my blues away.

Well the rhythm is evil like never before,
All the band is rollin', jazzy clothes an',
Ole blue jeans the cats are really strollin',
Well the cats are really strollin'!
I'm gonna rock I'm gonna roll my blues away...
