I grab my gal-gal  
I grab my gal-gal  
I wanna rock with her  
I grab my gal-gal  
I wanna rock with her-her  
I grab my gal  
Yes, she can twirl

Yeah, we rock across th juke joint  
We rock across the floor  
Blow your horn little baby doll  
While the hepcats roar.  
I grab my gal, yes she can twirl

We rock around the juke box  
We rock around the bar  
Pour me out a double please  
You know I don't go far  
I grab my gal, yes she can twirl

I grab my gal-gal...

We're ready for the riot  
We're ready for the booze  
The joint is really jumpin'  
There is not a moment to lose  
I grab my girl, yes she can twirl

We're rollin' to the rhythm  
We're rollin' to the blues  
Strut your stuff an' squallin'  
Like the cat is on a hot tin roof  
I grab my gal, yes she can twirl

I grab my gal-gal
