She's got more rhythm than a 10 piece honky tonk band  
She is good lookin' and my heart is in her hand  
She's got style, like a movie star  
She is real kool I feel I'm gonna lose my mind!

Well, when she starts boppin' everybody starts to scream  
When she swings her frame, I guess it's just a dream  
Thight blue jeans, ruby-red lips  
The band just olays her favorite she gives me kiss.  
Well, she is real kool in the mornin'  
Real kool in the night, Real kool in the evening  
I feel I'm gonna lose my mind!

She's got more rhythm than a 10 piece honky tonk band  
She is good lookin' and my heart is in her hand  
She's got style, like a movie star  
She is real kool I feel I'm gonna lose my mind!
