Sometimes I feel like a rockabilly star,
Like a cat in the night when the Moon is shining bright,
Girls, cars, all I wanna do,
Let me tell you honey bee I wanna rock with you!

Sometimes I caper, Sometimes I wild,
Sometimes I'm ready to a real rock drive,
I'm gonna show you folks that's the brand new beat,
Doublebass and rhythm! Move your feet!
Well I'm proud of my style, and don't change my mind,
Sometimes I feel like a rockabilly star.

Let's start!

Well I'm playin' on the stage in my hundred dollar shoes,
Rollin' to the rhythm let's jump back to the roots.
My hot rockin' style all day 'n' all night,
I shake it up with my gang, that's all right!
Well I'm proud of my style, and don't change my mind,
Sometimes I feel like a rockabilly star

Like a rockabilly star...
