Wiggle, wiggle...
Wiggle Baby doll.

When the juke-box plays the jungle beat,
Don't fool around honey, don't be late.

Wiggle, Wiggle, Wiggle, baby doll,
Let's have a good time!

Wiggle, wiggle...
Wiggle Baby doll.

Rock me here, rock me there,
Sweet jungle baby, I won't be square

Wiggle, Wiggle, Wiggle, baby doll,
Let's have a good time!

Wiggle, wiggle...
Wiggle Baby doll.

Jane is here, I feel the thrill,
Do the jungle boogie all night and day!

Wiggle, Wiggle, Wiggle, baby doll,
Let's have a good time!

Wiggle, wiggle...
Wiggle Baby doll. (3x)
