I didn't know you'd change my world around
When you came into my life I found
That what I've been searchin' for for years
Is standing right in front of me
Friend you were to me
Whenever you stayed up and talked to me
Now it's so hard to believe
That you're here with me
Oh

You
You're that special one for me
It's you (You)
You have everything I need
In you
No one else can treat me like you
Do do do do do
That's why I'm here with you

Mmm
Yeah yeah yeah

The special bond that we share
Nothing else on this Earth compares
It seems like the flower continues to grow (Grow)
Blossom into something beautiful
I reach out my hand to you (I reach out my hand to you)
And hope one day you'll say I do (Say I do)
Anything (Anything)
Everything (Everything)
Hope for your love
Cause

You (Cause you)
You're that special one for me (That special one for me,
it's)
It's you (It's you)
You have everything I need (Have everything I need)
In you (In you)
No one else can treat me like you (No one else could
ever treat me like you do)

Do do do do do (Like you do)
That's why I'm here with you (Like you do, you)

You're that special one for me
All I need is you
All I need is you
All I need is you
All I need is you
Hey yeah

You (You)
You're that special one for me (You and me yeah, you
and me)
It's you (We were mean't to be, whoa)
You have everything I need (Have everything that I will
ever need)
In you (Oh)
No one else can treat me like you (Oh, no one else can
treat me like you do)
Do do do do do (You're that special one, oh)
That's why I'm here with you (You're that special one)

You
You're that special one for me (Oh, me)
It's you (It's you, Oh)
You have everything I need (You have everything I will
ever need, yeah)
In you (Mmm hmm)
No one else can treat me like you (I'll never find
another who can do me like you do)
Do do do do do (Like you do, like you do)
That's why I'm here with you (Oh, that's why I'm here
with you)

You, you
You, you, you
You, you, you
You, you, you (You, you, you)
You, you, you
You, you, you
You, you, you
You, you, you (You, you, you)
You, you, you
