HAPPENS ALL THE TIME

I'm really sorry about last night

It wasn't quite what I had planned.

I didn't mean for us to fight

You just don't seem to understand.

I know it meant a lot to you

We should have ended it back then

Now with all that you've been through

Why is this happening again

(chorus)

Don't worry about a thing

Cause it happens all the time

I know when this is over everything'll be fine.

Just sit back and watch it all pass

Try and not to worry cause it really shouldnt last

You're really cool around your friends

You always try and bring me down

And now we've finally reached a dead end

I think it's time for us to move on.

Quit calling me we're done,

I can barely remember your name

Now I'm alone and having fun

I'm really sick of your childish games

(chorus
