[Intro: Snoop Dogg]

Yeah, brand new Snoop Dogg [echo]

Somethin' to crack the New Year off, you dig? [echo]

[Hook: 2X]

One for the trouble, two for the bass

Come on everybody let's rock this place

[Verse 1: Snoop Dogg]

Doggy Dogg, you are the best

Rock this beat 'cause you are so fresh [2X]

Well if you insist her I guess I'll twist her

But, give me a minute while I freak your sista

Push the pista up against her

No offense, but this pimp'in mista

Bow your fist up or hold your cris up

Light that bitch up and blow your sist up

This that shit to get your jive talkin'

East Side RTC walkin'

People, people listen closely

I say it 'cause mostly when y'all approach me

Stay low key and keep it OG and don't try to burn
rubber on me

[Chorus]

I love your movies you are awesome Snoop

(Can I get a flicc withchu?)

I buy your records, everything you do

(Can I get a flicc withchu?) {Oh really?}

My daughter loves you; she's only two

(Can we get a flicc withchu?)

You a handsome fella, you kinda cute

(I really wanna get withchu)

[Verse 2: Snoop Dogg]

Doggy Dogg you are the best

Rock this beat 'cause you are so fresh

Doggy Dogg you are the best

Take this shit back home to the West

Melissa Brista in San Francisca
The cute little sista with the feet for blista
Say that I dissed her 'cause I wouldn't kiss her
But I got her a picture say I'll holla back witcha (I'll
holla)
Hey, they say that I'm like Mr. Bigsta
All these bullshit moves to miss us
Divide in twisters we buy relistas
We mind my listnats 'cause I'm a mimsta
Design by mimstas these time are senistas
But I'ma finish her on the ground until it's done
Knives and silly clubs - hos and fake thugs
Pimps, players and all the above

[Chorus]

[Hook 2X]

(Ooooooh Weeee)

[Snoop Dogg]

Yeah, that's bangin' loco (For shizzle)

[Verse 3: Snoop Dogg]

Oh, were was I? Oh yes, spittin' to flip ya
Comin' thru scriptures; straight your ditchas
Pigs wont pinch us, won't just miss us
And they wanna french kiss us
Pack the pistas, twist don't twist us
Roll with me on this dog adventure
But you can't enter without your credentias
And if you get in, you might get a picture (come on)
So sit your shit down, go on and get down
It's huggy baby, it's comin' in your town
You don't wanna miss this, it's just like Christmas
So make your wish list and go on and flicc this (Preach)

[Chorus 2X]

[Snoop Dogg: 2X]

Go VIP with big D-O-G and see what gangstas do
Once we get withchu we can take pictures
We came to funk withchu

[Bootsy Collins]

Oh, for real yo on the dilli-do
Follow the bouncin' ball
Say, who do you call? (Who do you call?)
Oh, for real yo on the dilli-do
Oh, follow the bouncin' ball baby (Who do you call?)
Yeah (Who do you call?)

Warm me up
Burn it up me, keepin' your hot spot hot
Turn it up me, shake what you got - you got a lot
Burn it up me, keepin' your hot spot hot
Turn it up me, shake what you got - you got a lot
