Ain't no doubt about it you want me,  
Can't you see that I want the same, (ohh yaaa)  
Don't pretend you can do without me,  
Baby let me show you this game. (Oh)

All we need is to get a little closer,  
You won't regret a thing,  
It's about time to get it on tonight.

*[Chorus:]*

That's Right,  
Now I got you where I want you baby,  
No doubt, it's gonna happen tonight baby baby.  
That's Right,  
You know there ain't no use to fight it baby,  
No doubt, you're gonna love it,  
Alright, baby baby,  
That's Right.

That's Right! [x7]  
Tonight....

Baby all you see is complications,  
Doesn't have to happen that way. (no no)

Let me change this whole situation,  
I won't let this chance slip away. (ya yay ya)

All I know is it couldn't go wrong (no no)  
Baby you can't deny,  
What we got going on tonight.

*[Chorus (x2)]*

Can't you see all we need is right in front of us,  
We can't let this thing just pass us by,  
Easier than it seems, all you have to do is stay around,  
And you'll know when I tell you that it's for real.

That's Right,  
No doubt, it's gonna happen tonight baby baby.  
That's Right,

No doubt, you're gonna love it,  
Alright, baby baby,  
That's Right.

*[Chorus (x2)]*
