"5th Of July"

the corn was knee high by the 5th of july
when i lost a friend
and gained an enemy
i was caught unaware of events taking place
and the presence of a traitor among us

oh enemy, what good is security?
oh enemy, what good is security?
oh enemy, what good is security
between friends

over my eyes, the wool has been pulled
and that's just something you shouldn't do
as the fireworks displayed their colorful array
of light and sonic intensity
it came from both sides a terrible surprise
of immeasurable weight and humility

oh enemy, what good is security?
oh enemy, what good is security?
oh enemy, what good is security
between friends

you surround yourselves with those that are real
because you want to be real yourself
