i don't give a damn about elvis
he never answered none of my prayers
i don't give a damn about nothing
i don't give a damn about the ozone layer

i'm not a superstar anymore
i'm not a superstar anymore
i'm not a superstar
anymore

i don't give a damn about the situation
do you think i'm bad because i just don't care?
i'm gonna make it so it's not my problem
i don't know how to act and it's so unfair

i'm not a superstar anymore
i'm not a superstar anymore
i'm not a superstar
anymore

i don't give a damn about my nervous actions
when i see you on the street while i'm walking home
i don't give a damn that you just walked by me
i guess i just learned what i already know

i'm not a superstar anymore
i'm not a superstar anymore
i'm not a superstar
anymore
