"Asteroid G"

Just when I needed some time to myself
When I am bothered by nobody else
Sometimes I ponder over what might go wrong
I don't want to wander from where I now belong
Catch the comet and speed off
Catch the comet and speed off today
Leave the earth now and fly free
Go to asteroid G, let's go to asteroid G
So I end up with worse than before
Having to scrape my broken heart off the floor
Well I'll still sit here by the curb
If I keep quiet she won't be disturbed
Catch the comet and speed off
Catch the comet and speed off today
Leave the earth now and fly free
Go to asteroid G, Let's go to asteroid G
I'm going back to where I was once
I'm catching that comet; be back in a month
I'm going back to where I was once
I'm catching that comet so I can be free
So maybe I found my place on this rock

I'll stay

So maybe I found my place on this rock

I'll stay
