Behind the bleachers

I'll tell you

a secret

Of locker room dreams

Lunch box angel

will you tell me

your story?

will you go with me?

Does it hurt you, Does it pain you,

to say the words that mean so much to me

Does it hurt you, Does it pain you

Or did you lock it up to hide away

(far away)

We are the laziest

People that could be

for we only wrote ONE verse

But I asked Jaques

What I should put

In place of this

He said just leave it

Does it hurt you
