"So I Fall Again"

I can't say if this feeling coming over me is real

But I know it's something you can't steal

So I'll buy another problem to approach

Sell a virgin lie that can't be touched

So I'll fall again

So I'll fall again

So I'll break through this rotten piece of wood again

I can't say if this here fucking subject should be
dropped

But I know it's something you can't stop

So I'll buy another pick-up line and sigh

And pretend that everything is all right

So I'll fall again

So I'll fall again

So I'll break through this rotten piece of wood again

So I'll break through this rotten piece of wood

So I'll break through this rotten piece of wood

So I'll break through this rotten piece of wood again

So I'll fall again

So I'll fall again

So I'll break through this rotten piece of wood again
