Gonna pick you up baby  
About an hour from now  
Gotta brand new dance  
Gonna show you how  
C'mon, c'mon, c'mon, c'mon  
It's a one-two-three baby  
Come one, rock with me

If you are lonely  
Lonely and blue  
Come one girl  
This is all you gotta do  
C'mon, c'mon, c'mon, c'mon  
It's a one-two-three baby  
Come one, rock with me

Makes you feel like walking on air  
Come on baby, don't you be no square  
Show you how when the band begins to swing  
Little girl, gonna shake that thing

Now, won't be long  
Before me and you  
Be rocking like  
All the hepcats do  
C'mon, c'mon, c'mon, c'mon  
It's a one-two-three baby  
Come one, rock with me  
(Rock with me now)

Makes you feel like walking on air  
Come on baby, don't you be no square  
Show you how when the band begins to swing  
Little girl, gonna shake that thing

Now, won't be long  
Before me and you  
Be rocking like  
All the hepcats do  
C'mon, c'mon, c'mon, c'mon  
It's a one-two-three baby

Come one, rock with me  
It's a one-two-three baby  
Come one, rock with me  
(Come on now)
