Running to and fro, got her hair in a braid,

Always in a terrible fuss

Tellin' everybody all the friends that she's made

Pushing on the crosstown bus

Always got a dime for the record machine

Never lets the music die

Got the best connections in the city say

Anything you care to buy

Sweet Caroline (Sweet sweet Caroline)

Any day she'll be mine (Sweet sweet Caroline)

Any day now, she'll say that she will (Someday she'll be mine)

Living off the land in a fashionable way

Party every other night

Gets the latest clothes from her friend in the trade

Caroline she does it right

See her on the street as she rushes by

Hard to miss her - yeah you bet

Always on the search for the ultimate end

But she hasn't found it yet

Sweet Caroline (Sweet sweet Caroline)

Any day she'll be mine (Sweet sweet Caroline)

Any day now, she'll say that she will (Someday she'll be mine)

La la la la etc.

Running to and fro, got her hair in a braid,

Always in a terrible fuss

Tellin' everybody all the friends that she's made

Pushing on the crosstown bus

Always got a dime for the record machine

Never lets the music die

Got the best connections in the city say

Anything you care to buy

Sweet Caroline (Sweet sweet Caroline)

Any day she'll be mine (Sweet sweet Caroline)

Any day now, she'll say that she will (Someday she'll be mine)
