Somebody took the papers  
And somebody's got the key  
And somebody's nailed the door shut  
That says, "Hey, what you think that you see?"

But me, I'm down around the corner  
You know, I'm lookin' for Miss Linda Lee  
Because she's got the power to love me by the hour  
Gives me double you L O V E

Hey baby, if you want it so fast  
Don't you know that it ain't gonna last  
Of course you know  
It makes no difference to me

Somebody's got the time, time  
Somebody's got the right  
All of the other people  
Tryin' to use up the night

But now me, I'm out on the corner  
You know, I'm lookin' for Miss Linda Lee  
Because she's got the power to love me by the hour  
Gives me double you L O V E

Ooh, hey if you want it so fast  
Don't you know honey, you can get it so fast  
But of course, you know it makes no difference to me

Oh, oh, you'd better cool it down  
You know you'd better, cool it down  
You know you'd better, cool it down  
You know you'd better, cool it down  
Get down it

Ohh, hey, if you want it so fast  
Now lookie look baby don't you want it to last  
But of course you know  
That it makes no difference to me

Ohh, you'd better cool it down  
Now baby, better cool it down

Don't you know, you'd better cool it down  
You know, you'd better cool it down  
You'd better cool it down  
Oh, baby cool it down  
You'd better cool it down
