Ah and I don't hardly know her  
But I think I could love her  
Crimson and clover

Ah, when will she come walking over  
Now I've been waiting to show her  
Crimson and clover  
Over and over

Yeah  
My mind's such a sweet thing  
I want to do everything  
What a beautiful feeling  
Crimson and clover  
Over and over

Da da da da da da...

Crimson and clover  
Over and over  
Crimson and clover  
Over and over...
