Well she's straight and look like a lot of fun  
The bar's open I'm gonna go have a drink with  
everyone  
Walking downtown skies can't get any greater  
Haven't got no money and I haven't got a prayer

I'm gonna move right in  
I'm gonna move right in  
I'm gonna move right in

After we hang a little we're gonna have a little fun  
Gonna go shoot and kill and go knife everyone  
The bar looks like haven gonna have myself a drink  
Hey man don't you know I fell right in to the swing

I'm Gonna move right in Yeah  
I'm Gonna move right in  
I'm Gonna move right in

Gonna go uptown so I can get myself straight  
Gonna go see my mama see if I got myself a date  
Time is running' out I'm coming' right down to the wire  
Gotta go do something to get myself higher

I'm gonna move right in hey  
I'm gonna move right in  
I'm gonna move right in
